

Resistance movement typical organisation meeting after the II. WW

The new regime established 44 prisons and 72 labour camps for the political prisoners

Periprava - A FACTORY OF DEATH

Ioan Ficioru - One of the chief commanders of the labour camp before entering a justice court in 2007 for crimes against humanity

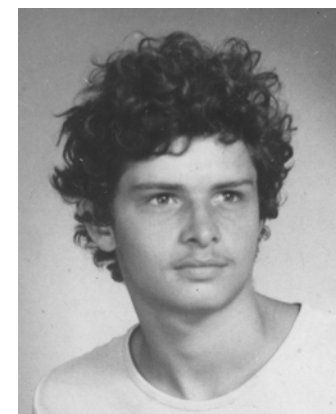

After the revolution his rent was still 3 times higher the average rent of a communism victim. He has led a life without remorse nore financial worries.

The InSTITUTE for Communism crimes Investigations are searching for the bodies of the people that have dies there as evidence against people like him.

Victims who have found their end in prisons and concentration camps. Ages mostly between 17 and 25 years old.

The usual monuments in their honour reflect a very strong religious symbolism

Aiud
